

Message broker using RabbitMQ:

Booking conformation mail:

The image shows a dark-themed mobile email application interface. At the top, there are standard action icons: back, download, trash, reply, and more. Below that, the subject of the email is "Booking Confirmed - PNR: 71919FB7". A star icon is present to the right of the subject. Underneath the subject, the word "Inbox" is visible in a blue button. The email header shows the recipient as "kakashi115114@gm..." and the date as "Yesterday". The recipient's name, "shivani", is listed with a dropdown arrow. On the far right of the header are icons for reply, forward, and more. The main body of the email contains a greeting "Hello Shivani," and a confirmation message: "Your flight booking with PNR 71919FB7 is CONFIRMED." The entire message is displayed in a white text area.

Booking cancelled mail:

The image shows a dark-themed mobile email application interface, similar to the previous one. At the top, there are standard action icons: back, download, trash, reply, and more. Below that, the subject of the email is "Booking Cancelled - PNR: 71919FB7". A star icon is present to the right of the subject. Underneath the subject, the word "Inbox" is visible in a blue button. The email header shows the recipient as "kakashi115114@gm..." and the date as "Yesterday". The recipient's name, "shivani", is listed with a dropdown arrow. On the far right of the header are icons for reply, forward, and more. The main body of the email contains a greeting "Hello Shivani," and a cancellation message: "Your flight booking with PNR 71919FB7 has been CANCELLED. If this was not done by you, please contact support." The entire message is displayed in a white text area.
